

## FREQUENTLY ASKED QUESTIONS?

### **STRIP POKER MEN'S CLUB**

#### **1. How can I make money with Strip Poker Men's Club?**

With every Private show you perform you will receive 40% commission. With more revenue generating systems planned for release.

#### **2. How is my pay per minute fee calculated and what factors determines these calculations?**

There are numerous factors that determines how much we are able to pay our performers, firstly the development time and technology that powers the Strip Poker game is very advanced and extremely costly, in addition to advertising costs and credit card processing levies.

Below are the associated costs with running Strip Poker Mens Club;

- 40% customers revenues paid to performers.
- 30% revenues paid to affiliates and marketing costs.
- 15% credit card processing levies
- 15% the house cut which also has administrative and other ongoing monthly running costs.

We decided it was fairer to allow models to take a percentage of the overall earnings because it allows them the flexibility of working their own hours and seeing direct results for their hard work. It is important that we all work together as a team, your success is our success.

#### **3. I am new to the adult industry, will I make money with my webcam?**

Absolutely! The average running time for a private show is between 10–15 minutes currently charged at \$2.99 per minute, your cut being 40% of the total amount charged to the client.

#### **4. How many hours am I required to work and can I work as many hours as I like?**

We like our models to work at least 20 hours per week, but you can work as much as 60 hours per week with prior approval, the more serious you are about making money the more you make.

#### **5. Are models from any Country able to participate?**

Models from any country are able to participate but it is up to you to know your local governing laws. All Models must supply proof of age prior to commencement.

#### **6. What are your payment methods and how often will I get paid?**

There are currently (2) payment options available Epassporte (Epassporte.com) which is similar to PayPal or Bank wire transfer. Further payment options are currently being considered.

**7. Are we able to view realtime stats of how many minutes we have accrued for each pay period?**

Absolutely, all minutes are recorded realtime.

**8. Can I use an in-built webcam in my laptop?**

It is inadvisable to use a in-built laptop webcam, the performance of in-built webcams do not stack up when compared with external webcams. External webcams also allow you greater flexibility with your set-up and results in you performing more private shows. Your chatroom set-up is an important aspect of the overall customer experience, make sure you review our tips on how to set-up your chatroom.

**9. Do I have to know how to type?**

No. Typing is not required, as long as you have a microphone and speakers with your PC you will be able to talk directly to your customer, however an external microphone is better than one which is in-built into your PC. An even better option is a wireless headset with microphone allows you more freedom or movement, your clients will love to hear your voice as you describe what you are doing and feeling, the more you engage your customer the more minutes they will consume.

**10. Do I need to install and configure any software on my PC?**

No. There is absolutely no configuration required whatsoever, just login to our website with your username provided and you will be immediately placed live on our website. There are no downloads required, our software is fully Flex/Flash based, and works with any browser or operating system whether it be Windows or Apple Mac.

**11. Can I be assured my information be kept confidential?**

Yes. Only administrators of Strip Poker Men's Club are privy to your personal information, nobody else will be given your information.

**12. Can you recommend suitable equipment?**

In the Webcam package you would have received there is information on recommended equipment, please read carefully as implementing the recommendations will ensure your success with Strip Poker Men's Club.

**13. What type of internet connection do you recommend.**

It is imperative that you have a high-speed internet connection such as cable, ADSL or DSL to ensure the best possible video streaming quality and game function. The faster the connection the better.
